

# Jothy Rosenberg

Entrepreneur, Author, Speaker, TV Host

11 Seton Hill Rd., Auburndale, MA 02466  
(617) 306-8121 [jothy@whosaysicant.net](mailto:jothy@whosaysicant.net)

- ❑ **Entrepreneur** who has founded and/or run eight high-tech startups since 1988 two of which sold for over \$100MM. This includes MasPar, Novasoft, Webspective, GeoTrust, Service Integrity, Mogility, Rocket Technology Labs and Aguru. Was investor in the last three in that list. Held operational roles CEO, COO, CTO. Also ran a division of Borland for 5 years responsible for \$300MM in revenues. Other companies: Microelectronics Center of NC, Ambric, BAE Systems.
- ❑ **Author** of *Who Says I Can't* as well as three successful technical books including the recently published *The Cloud at Your Service*, a book about Cloud Computing. *Who Says I Can't* is Jothy's inspiring story of being knocked flat as a teenager by cancer that took his leg and three years later his lung and how he learned to use sports to regain his self-esteem. Site: <http://www.whosaysicant.net>.
- ❑ **Speaker** at corporate events, universities, conference/event keynotes, medical centers, schools and clubs. Past locales include ESPN, Netflix, First American Title, Mass General, Duke Medical, The Naval War College and many others. Talks include "Who Says I Can't" (inspirational), "War Stories of an Incurable Entrepreneur" (business), "The Future is Cloudy" (technical: cloud computing).
- ❑ **TV Series creator/host** of the forthcoming new reality TV Series *Who Says I Can't*. This is a show that will tell the stories of the incredible men and women who have suffered a knock-down from life but who courageously fought back and overcame to be better than they were before. They too used sports to conquer and rebuild themselves and their lives and never looked back.
- ❑ **Media coverage** includes TV appearances on The Today Show, KRON4 (SF), Fox25 (BOS), NECN; Radio interviews with KSCO (Santa Cruz), KGO (SF) and CBS Radio (Boston); and press coverage in USA Today, The Boston Globe, Reuters, The Boston Herald and BusinessWire.
- ❑ **Awards** include the Heros Among Us award from the Boston Celtics, the annual Katie Lynch Inspirational speaker award from the Lynch Foundation of Newton, MA.
- ❑ **Education**  
BA Mathematics Kalamazoo College  
PhD computer science Duke
